CREATE HOLIDAY MAGIC WITH DAZZLING CRYSTAL HARDWARE!

THE ESSENTIAL FINISHING TOUCH FROM VIAGGIO.

(Denver, CO. December 17, 2020) The secret holiday steal this season is updating door hardware with crystal knobs. Like snow glistening on a windowpane, Viaggio crystal knobs bring the magic of the holidays home. This easy update is a great way to infuse instant Italian style into your decor, creating a picture perfect holiday lasting way into the New Year.

Available with Interior or Entry sets, the Crystal Knobs can be used with any Viaggio rosette to create a truly customized look. Combine crystal with satin brass or polished chrome to create the essential finishing touch. This standout look is so welcoming and festive.

Bold geometry and modern design come full circle with the bright contours of the Circolo Crystal knob. The superior clarity and dimensional, prismatic effect of the Quadrato Crystal knob will add visual drama to any space. Or add a true one-of-a-kind element with the gleaming sculptural facets of the Stella Crystal knob. All three designs are made from lead-free crystal which has remarkable clarity and shine.

As the newest addition to the Regal Brands family of premium hardware lines, Viaggio Hardware is quickly establishing a reputation for a clean, modern design aesthetic inspired by the architecture of northern Italy and iconic Milan. Viaggio Hardware is produced in the heart of Europe, forging each piece from solid brass in a time-honored process that blends the best of engineering and artistry.

Each rosette is equipped with the company's Concealed Screw Mechanism (CSM) for a seamless look without exposed screws. Every piece is precision polished and coated with a protective lacquer for lasting good looks. In keeping with the brand's pledge of exceptional quality, all Viaggio Hardware products are covered by an industry-leading Lifetime Warranty.
