QUADRATO LEATHER ROSETTE WITH CONTEMPO LEVER

THE LOOK AND FEEL OF LUXURY

NEW MOTIVO COLLECTION BY VIAGGIO HARDWARE PAIRS TEXTURE CONTRASTS FOR MAXIMUM STYLE.

(Denver, CO. October 30, 2020) Viaggio Hardware celebrates the dramatic beauty of contrast with their stunning new Motivo Collection. Textured finishes bring visual warmth and interest to this extraordinary door hardware line. Consumers can mix and match styles and finishes to create a truly customized look.

Discover the delights of tactile textures with Motivo. Textured finishes are available on rosettes, deadbolt trims and lever grips. These can be paired with brass levers and knobs in various shapes or even crystal knobs for a touch of glamour. The juxtaposition of smooth and textured finishes is distinctive and makes each hardware set a luxurious stand-out. Options for the textured finishes include:

- **LINEN** – a subtle and sophisticated surface. Like finely woven cloth, the embossed finish is truly elegant. It has a distinctive look that is classy and refined.
- **HAMMERED** – a versatile look that goes well with contemporary, industrial or rustic décors. This rosette style brings a fresh twist to traditional metal finishes with its deep, hammered texture.
- **LEATHER** – a dramatic choice that adds a pop of luxury. This textured finish is clean and modern, with an on-trend, authentic look.

As the newest addition to the Regal Brands family of premium hardware lines, Viaggio Hardware is quickly establishing a reputation for a clean, modern design aesthetic inspired by the architecture of northern Italy and iconic Milan. Viaggio Hardware is produced in the heart of Europe, forging each piece from solid brass in a time-honored process that blends the best of engineering and artistry. Each rosette is equipped with the company's Concealed Screw Mechanism (CSM) for a seamless look without exposed screws. Every piece is precision polished and coated with a protective lacquer for lasting good looks. In keeping with the brand's pledge of exceptional quality, all Viaggio Hardware products are covered by an industry-leading Lifetime Warranty.
