INTRODUCING ONE-PIECE HANDLESETS - THE PERFECT FINISHING TOUCH FOR FRONT DOORS.

(Denver, CO. September 27, 2024) Viaggio Hardware is redefining the entryway experience with their latest innovation: A stunning line of One-Piece Handlesets designed for modern doors. Standing an impressive nineteen inches tall, each handleset is crafted from solid forged brass for durability and elegance. With clean, sleek lines and precise geometric forms, these handlesets embody sophistication and introduce a fresh, contemporary flair to any entrance.

Viaggio One-Piece Handlesets are designed with premium features and robust mechanics. The Concealed Screw Mechanism (CSM) ensures no installation hardware interrupts the impeccably flawless surface of the handleset face. Each piece is carefully crafted from forged brass using a time-tested process that eliminates even the slightest defect or imperfection. The hardware is precision polished and then lacquered for amazing durability.

Select any knob or lever and smooth rosette combination for the inside of your entry door to complete the set (Motivo textured rosette combinations available as custom orders.) Viaggio One-Piece Handlesets come in stunning finishes of Bright Chrome, Satin Black, Satin Brass, and Satin Nickel finishes.

Exacting construction is achieved through demanding production tolerances for smooth yet sturdy operation. This exceptional hardware comes backed with a lifetime mechanical warranty for added peace of mind and lasting enjoyment.

With their striking height, substantial heft, and eye-catching appearance, Viaggio's One-Piece Handlesets will elevate your entryway to a new level of sophistication.
