Email: orders@NostalgicWarehouse.com

INTERIOR SETS

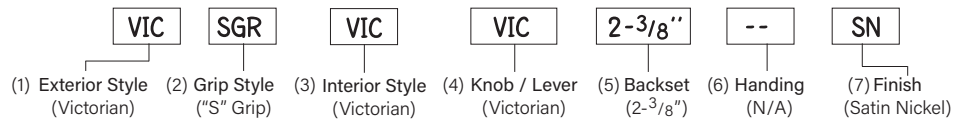

STYLE	(1) Rosette/Plate and (2) Knob/Lever style combination.
FUNCTION	(3) Select the function. (See page 9)
KEYHOLE	(4) Select Keyhole option, if applicable (KH).
BACKSET	(5) Select Backset width: 2-3/8" (Standard) or 2-3/4"
HANDING	(6) Select Handing, if applicable. (See page 12 for Door Handing)
FINISH	(7) Select Finish.

DEADBOLTS

STYLE	(1) Select the deadbolt style.
FUNCTION	(2) Select the function: Single Cylinder (SC) or Double Cylinder (DC).
BACKSET	(3) Select Backset width: 2-3/8" (Standard) or 2-3/4"
KEYING	(4) Select Keyed Alike (KA) or Keyed Different (KD).
FINISH	(5) Select Finish.

HANDLESETS

EXT. STYLE	(1) Exterior Handleset Style and (2) Grip Style.
INT. STYLE	(3) Interior Style and (4) Knob/Lever Style Combination.
BACKSET	(5) Select Backset width: 2-3/8" (Standard) or 2-3/4"
HANDING	(6) Select Handing, if applicable. (See page 12 for Door Handing)
FINISH	(7) Select Finish.

Custom Orders: Any modification to a standard door set such as split finish/style, latch size exchange or non-standard door thickness will be considered a custom item. Custom orders may require an extra business day. When ordering split styles, use the cost of the higher-priced item.

Free Freight Minimum: All orders totaling \$200 or more will be shipped FedEx Ground at no charge. On orders totaling under \$200, the customer will assume responsibility for shipping charges. Other FedEx Shipping options are available on a customer-pay basis.

Expedited Orders: Nostalgic Warehouse® builds all products to order. Most orders ship within 3–5 business days. Orders under \$750 can be expedited for \$35, while orders totaling more than \$750 can be expedited for \$70. Expedited orders ship within 2 days. Orders received after 10:00 AM MST will ship by the second business day.

Returns: All returns will require a completed RGA Request Form. Send your RGA Request Form to the fax or email below. There is a 25% restocking fee on all returned merchandise. No returns after 90 days will be permitted. A 35% restocking fee will be charged on returns made without prior RGA approval. Please be advised that the customer is responsible for all return freight.

WARRANTIES

5-Year Mechanical Warranty

Nostalgic Warehouse® warrants to the original purchaser/user that our products will be free of material and mechanical defects so long as the purchaser/user occupies the residential premises on which the products were originally installed for five years from the date of purchase. Exceptions to this warranty include products that have been incorrectly installed or mistreated, common area applications, and non-residential applications. Product finishes are addressed in our Finish Warranty.

5-Year Finish Warranty

Nostalgic Warehouse® products, except those with living finishes, are protected by a durable topcoat to maintain their beautiful, high quality finish. Nostalgic Warehouse® warrants to the original purchaser/user that our finishes are free from defects in material and workmanship to include tarnishing, flaking, or discoloration so long as the purchaser/user occupies the residential premises on which the products were originally installed for five years from date of purchase. Finishes on exterior installations in coastal areas are warranted for one year only. Oil-rubbed Bronze and Unlacquered Brass are living finishes and will develop a patina with wear and exposure to the elements. There is no warranty on living finishes. Exceptions to this warranty include scratching or abrading from normal use, incorrectly installed or mistreated products (including use of chemical cleaners), common area applications, and non-residential applications.

Claim Procedure

Once a warranty claim has been approved and the product returned to Nostalgic Warehouse®, Nostalgic Warehouse® will either repair or replace the product, at our discretion, to satisfy the claim. Liability shall be limited to the maximum dollar amount of the original purchase price. Proof of purchase is required.

MAP POLICY

In order to maintain the brand integrity of its products, Regal Brands will not do business with any Dealer who sells or offers to sell our Nostalgic Warehouse, Grandeur Hardware, Viaggio and/or Ageless Iron Hardware branded products at prices less than 75% of the list prices as published in the current price books, or as modified on occasion by Regal Brands for promotional purposes. (Please note that for the purposes of the MAP policy, each Regal Brand will be reviewed separately.) If and when Regal Brands becomes aware that a Dealer has failed to comply with this MAP policy, Regal Brands will take corrective actions, including:

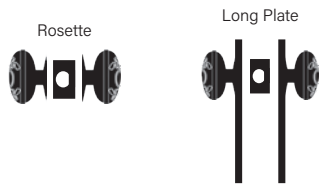

1. Sending a MAP violation notice to acknowledge the price discrepancy, and requesting corrective action from the Dealer within 10 days.
2. Regal Brands will not take further action if the Dealer in violation reverts to MAP compliant pricing.
3. If no corrective action is taken after 10 days, Regal Brands reserves the right to not accept any orders for the Brand with the MAP violations. Once the MAP violations are corrected, orders will be accepted as usual.
4. If a subsequent MAP Policy violation occurs for a Regal brand within one year of receiving notice of the first violation, Regal Brands reserves the right to permanently not accept any orders for the Brand with the MAP violations.

Pursuant to applicable state and federal laws, the terms of this policy are non-negotiable, imposed unilaterally by Regal Brands, and apply equally to all of our Dealers. Additionally, Regal Brands does not require any agreement, approval, or other assurance from you that you will comply with this policy.

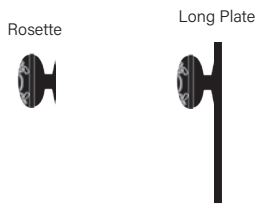

Passage (PSG)

Active tubular latch with no locking mechanism. Knob is always unlocked. Specify "KH" to order a non-functioning keyhole. Standard door range: 1-3/8" to 1-3/4" thick.

Single Dummy (SD)

Non-functioning door set with no latch, and no locking mechanism, used on one side of door (typically used with roller catch, flush bolts or surface bolts). Surface mounted. Specify "KH" to order a non-functioning keyhole.

Complete Handleset Single Cylinder (SC)

Active thumb-operated tubular latch and grip with single cylinder deadbolt. Requires interior single handleset. Fits doors 1-3/4" thick.

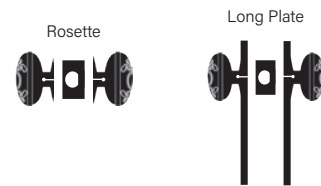

Complete Handleset Double Cylinder (DC)

Thumb-operated latch with keyed deadbolt on both sides. Fits doors 1-3/4" thick.

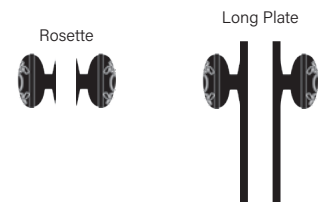

Privacy (PRV)

Active tubular latch with locking mechanism. Privacy pin provides locking through rosette or long plate. Can be opened from outside with small tool. Specify "KH" to order a non-functioning keyhole. Standard door range: 1-3/8" to 1-3/4" thick.

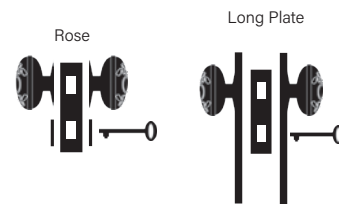

Double Dummy (DD)

Two non-functioning door sets (with no latch) are used on both sides of a door, or on side-by-side or French doors (typically used with roller catch, flush bolts or surface bolts). Surface mounted only. Specify "KH" to order a non-functioning keyhole.

Interior Mortise (IM)

Active mortise latch with skeleton key locking mechanism. Requires special mortise door preparation for mortise case. Standard door range: 1-3/8" to 1-3/4" thick.

Single Cylinder Deadbolt (SC)

Manually operated bolt for entry door with keyed cylinder on the exterior and thumbturn on the interior. Fits doors 1-3/4" thick.

Double Cylinder Deadbolt (DC)

Manually operated bolt for entry door with keyed cylinder on both the exterior and interior. Fits doors 1-3/4" thick.

Create a custom look with the Nostalgic Warehouse Hardware Designer!

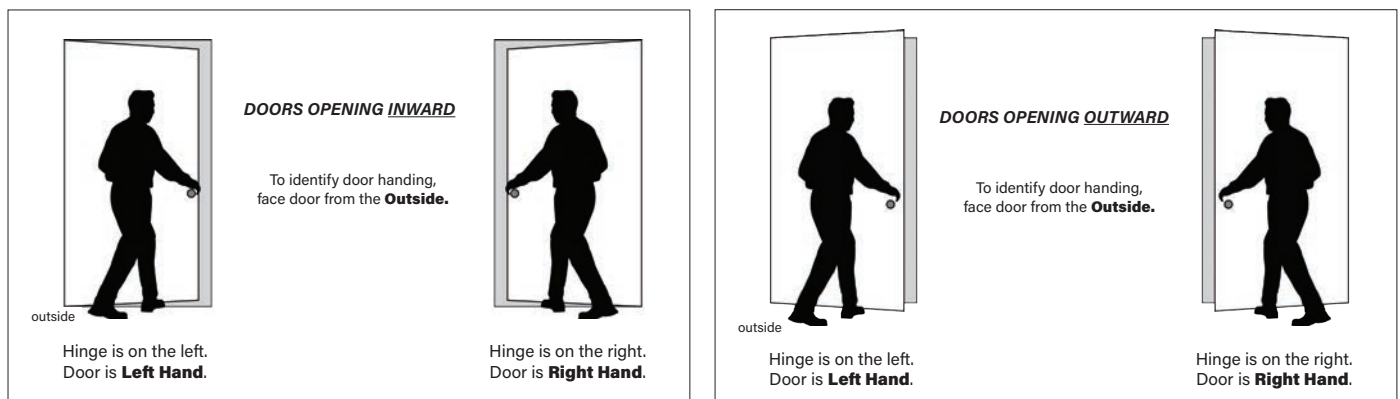

HARDWARE DESIGNER / HANDING

- Mix & match knobs, plates and finishes for a custom combination.
- Show your customers combinations that are not on display.
- Print or email your customer's favorite combinations.
- Responsive design allows you to create over 2,500 custom combinations on any device.

DOOR HANDING

Handing of doors is **CRITICAL** when selecting Split Finish or Split Design combinations that have the Privacy function. Handing of doors is **NOT REQUIRED** for Standard Passage, Privacy, Mortise or Dummy functions.

Inside of Door - The **Inside** of a door refers to the side of the door that faces the room. For example, for a bedroom door on a hallway, the **Inside** of the door would face the bedroom.

Outside of Door - The **Outside** of a door refers to the side of the door that faces away from the room. The **Outside** of a door is generally more visible to visitors, and therefore a rosette on this side of the door has no visible screws. For example, on a bedroom door, the **Outside** would face the hallway.

CLASSIC ROSETTE
 Simple, elegant round shape provides beauty and versatility.

The Nostalgic™ Collection exterior entry door handlesets match many of our most popular designs and are offered in five complementary finishes that are made to withstand the elements.

Our solid brass exterior door handles come with a matching deadbolt, plus a variety of grip options. They are designed with a high level of security in mind so you can rest easy knowing your home is safe, while enjoying the stunning appearance of these unique styles.

Nostalgic™ handlesets are sold **as complete sets only**. First, choose the exterior handleset and grip style. Then, select your choice of interior style (rosette, short plate or long plate) followed by the knob or lever style. (Please see **HOW TO ORDER** section below for step-by-step guidance.)

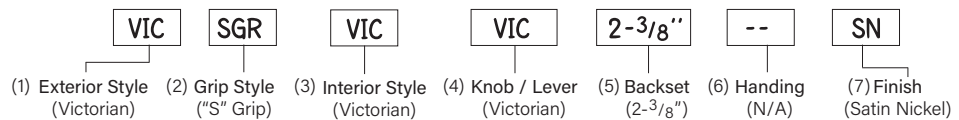

Want to order your exterior handleset and your interior style in two different finishes? No problem—Nostalgic™ offers split finishes at no extra charge.

Above: The New York entry door handleset with "C" Grip adds function and character to this unique Dutch door. Photo courtesy of *Unexpected Elegance*.
