## Shipping Tips:

- Use plastic bubble wrap or crumpled paper to pack your media. Make sure that nothing can get knocked about and damaged when shipping.
- Do not use shredded paper. This can damage sensitive media.
- You can mark individual tapes with a note for additional copies.
- If possible, pack your media in plastic zip-lock bags.
- Leave your slides in the carousels, magazines & trays. Send them as they are.
- Get a tracking number from your shipping provider.

Cut along the dotted line. Attach the label to your box.
