

TWO TYPES AVAILABLE

Bariatric Patient Gowns

These disposable bariatric gowns are comfortable, breathable and versatile to accommodate any size and all body shapes.

Ideal for a range of applications including:

- Hospitals
- Day Procedures
- GP Clinics
- Radiology

The plastic buttons on the sleeves open up on both sides, not only enabling easy access for procedures, but also providing privacy for the patient

Designed using a three layer dark blue SMS fabric, 50gsm which is lightweight

Versatile sizing to accommodate all body shapes with a waistline up to 2.5m
