

VIVE ALTERNATING PRESSURE PAD

LVA1004

HCPCS: E0186

The Vive alternating pressure mattress pad was designed to provide you relief from bed sores and ulcers caused by prolonged bed rest. Equipped with 130 individually heat-sealed air bubbles, the alternating pressure pad evenly distributes the body weight to provide superior support and comfort. Designed to be placed on top of a regular bed mattress, including hospital bed mattresses, the pressure pad has air-filled channels that alternately fill up and decompress to promote blood flow to every area of the body, minimizing the formation of pressure points for immobilized or weak patients who cannot shift their weight frequently.

COMFORTABLE WEIGHT DISTRIBUTION

Provides relief through alternating inflation and desinflation.

ULTRA-QUIET PUMP

Allows for restful sleep while conveniently attaching to bed.

DURABLE CONSTRUCTION

Flexible and non-binding air hoses.

ALLEVIATES BED SORES AND ULCERS

Providing relief from bed sores and ulcers caused by extended bed rest, the alternating pressure mattress promotes increased circulation and helps manage skin maceration. The variable pressure mattress evenly distributes weight to relieve pressure spots for exceptional support and comfort.

Perfect for immobilized or weak patients who cannot shift their weight frequently.

DESIGNED WITH 130 AIR CELLS

Each of the 130 air cells alternately inflates and deflates to create a mattress surface that evenly distributes a patient or loved one's weight and eliminates pressure spots.

Each air cell is heat-sealed to ensure it will not leak for exceptional durability.

QUIET VARIABLE PRESSURE PUMP

The variable pressure pump is ultra-quiet for restful sleep. Producing constant air flow, the variable pump offers multiple levels of pressure for a customizable experience. Each pressure cycle is approximately six minutes long.

DURABLE CONSTRUCTION SUPPORTS UP TO 300 LBS

Premium vinyl mattress supports up to 300 pounds. The waterproof mattress pad easily fits on an existing mattress or frame. The included air hoses are flexible and non-binding for easy installation.

VIVE GUARANTEE

1 year on the pump. 90 days on the mattress pad. An unconditional guarantee so you can purchase now with confidence.
