Materials Anodized aluminum and rubber leg tips

Product Weight 11.3 lbs.

Weight Capacity Up to 250 lbs.

Guarantee Policy Frame 1 year
Handles 90 days

PUSH BUTTON FOLDABLE DESIGN

Two-button release mechanism allows the portable walker to be quickly folded down for convenient travel or storage. The push button release can be operated with the palm or side of the hand for those with limited dexterity.

COMFORT HAND GRIPS

Comfortably soft, the rubber hand grips are textured for a secure, nonslip grip. The contoured ribbed hand grips provide extra stability while reducing hand pressure and fatigue.

LIGHTWEIGHT AND ADJUSTABLE

Anodized, extruded aluminum frame is durable and lightweight, supporting up to 250 pounds. Easily adjustable, the walker height adjusts in one-inch increments between 33" to 40" to provide a perfect fit for any individual.

ACCESSORIES INCLUDED

Included are upgraded five-inch rubber sport wheels for navigating uneven surfaces with ease.

VIVE GUARANTEE

60 day unconditional guarantee so you can purchase now with confidence.
