WHAT CUSTOMERS ARE SAYING

DENNIS

"This device was a lifesaver for our family. I am able to rest my left arm on the car handle and get out of the car with no pain whatsoever."

EBE

"When invited out I was often facing anxiety over my difficulty of getting in and out of a car. This little gadget has removed all the anxiety. In fact, when I go out others have asked if they can use it!"

With the Assurance Car Handle from Signature Life, you can relax knowing that you have the support you need, and the freedom to travel with confidence. If you have trouble getting in and out of your car, the Assurance Car Handle is for you! It slides into the striker of most any car door, and places the handle right where you need it for maximum support. Create your own path with the Assurance Car Handle.
