

We know sometimes you need a little help when it comes to making purchases, and Katapult is here to help with a new take on purchasing power. In minutes, get approved for up-to \$3,500, checkout for a low initial fee, and with our 90-day purchase option, you get a discount on early buyout, making what you lease, yours.

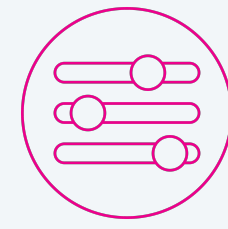

HOW IT WORKS

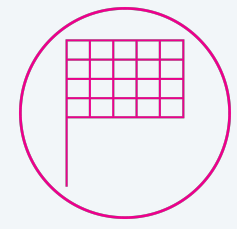

No credit, no problem
Be approved for up to \$3,500
no credit required

Quick Application
Our short application form
makes it easy for you to
obtain what you need.

We're all about options
Make minimum payments over time,
purchase early and save, or return.

Pay when you get paid
Payment options coordinate with
your pay dates

Love the way you pay

You have the option to select the best monthly pay-over-time schedule for you, so you may make your scheduled payments as they align with your pay dates.

Pay over time & enjoy your items!
You'll make recurring payments to Katapult with the option to pay off at any time. You own the items once you pay off or complete your lease. The sooner you pay off the more you save!

Payment plans tailored to you
We're able to match you with a comfortable payment plan that aligns with your budget and pay dates.

Instant approval decision and shipment
No long forms. You'll know if you're approved instantly and your order will ship as it would with any other form of payment, as quickly as you choose!
