MOULDINGS & MILLWORKS INC.

DECORATIVE WALL PANELS

Newest Innovation in Wall Coverings

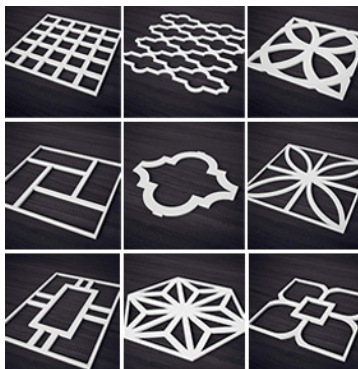

Genuine wood architectural products have been used in homes and commercial spaces for centuries. Nothing delivers richness and warmth like our wood wall panels. The laser-cut material offers a paintable or stainable thin wood veneer, features filigree carvings with crisp, detailed cutout work. Our one-of-a-kind decorative wall panels show off the wood's natural beauty with unmatched quality and simple installation. Make the perfect statement with more than 60 unique designs to choose from in 3 sizes and 2 thicknesses.

Custom Carpentry Look for Less

Traditionally, elaborate wall or ceiling designs had to be done by professional carpenters, but Crown Cornice decorative wall panels provides prefabricated designs for less! Our panel systems install quicker and easier than time-consuming miter cuts and measuring. Get the look you want and save money and time with our designer wall panels.

Transform Any Space

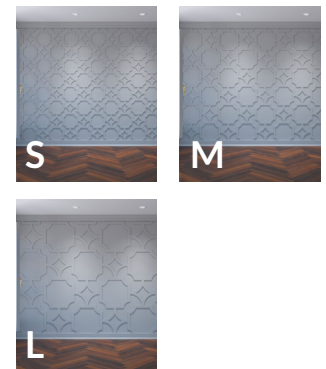

Replace expensive art with decorative wall panels that still contribute to your personality and thematic design. Make a statement in grand spaces, create larger-than-life headboard walls, add subtle texture to ceiling focal points or accentuate your ceiling with decorative wall panels to project depth and dimension for a special touch, unrivaled by anything on the market.

Versatile Installation

Our wood or PVC wall panels are a great way to turn traditional wall space into stunning features. These decorative wall panels provide a modern look with classic inspiration for any space. Their chic and sophisticated appearance make them compatible with all styles of decor from modern to the more traditional. These lightweight panels can be installed with adhesive and nails and our architectural grade PVC is maintenance free and waterproof and are great for exteriors, laundry rooms, kitchens and baths!
