**WOODEN LEARNING TOYS AND SCHOOL FURNITURE**

**2022 - 2023**

### History:

Parent company M/S Jechand Talakshi & sons was founded in early years of 20<sup>th</sup> century. The company was operated by a trained Montessorian who was privileged to get training from Madam Maria Montessori. Eduedge carries forward the tradition of making pedagogical wooden learning material.

### Achievements And Certification :

Eduedge was awarded first prize for productivity and innovation under prestigious 'MAKE IN INDIA' project by Government of India in the year 2015, followed by many awards in national toy events. Our wooden toys are **ISI, ASTM and CE certified.**

### Facility And Team :

Eduedge toys are produced at company's own production unit spread in one acre land at Palghar, India. Our team is headed by a trained Montessorian and a business professional. Design, development, production and marketing is managed by more than seventy dedicated employees.
