genuine♥collection

with you every stitch of the way

Baby Lock's Genuine Collection is for the creative mind that's just like yours. Everything you make is just as unique and as individual as you. You bring the enthusiasm, the spirit and creativity and the Genuine Collection will help you bring your creations to life. When you buy a machine in the Genuine Collection, you get Baby Lock's unmatched support. Each machine includes online classes that help you master it, local retailer service, support from our consumer help line and so much more!

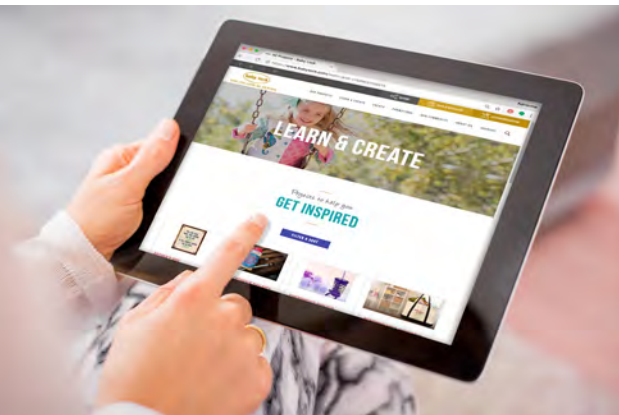

we're in your neighborhood

Your local Baby Lock Retailer is more than just a place that sells sewing machines. It's also the heart and soul of a greater community of sewing enthusiasts, makers, DIY-ers and more. You'll find different promotions, events and classes all designed to further enrich your love of sewing, learn something new and even help you build new relationships.

learn it. know it. sew it.

Never used a sewing machine before? Want to learn new sewing techniques? Looking to create some fun projects? Don't worry. Baby Lock has you covered! With a variety of online classes, webinars and instructional videos, you'll be up to speed in no time at all.

inspiration that's ready to stitch

When you need an inspirational nudge for your next project, you'll find hundreds of FREE projects and patterns available for download, along with helpful articles on the Baby Lock website. There's always something to kickstart your inspiration and get your creative process rolling.

accomplish

If you want to make something, there's no reason you can't accomplish it with this machine! The Accomplish is built for speed and ready to help you make projects like quilts and purses, but it's also tough enough to sew on thicker fabrics for upholstery and costuming. Choose your next project and then plan it, design it, make it and accomplish it with your new favorite machine.

Single Stitch Machine with 1,500 Stitches Per Minute - 1,500 stitches per minute means it's ready to sew in blazing speed for all your garment and quilting projects.

Hands-Free Knee Lift - Easily pivot fabric with the detachable knee lift that raises the presser foot with a tap of the knee, leaving both hands free to sew.

Rotary Hook Bobbin - Changing bobbins on the fly is now a snap. The rotary hook bobbin is easy to access and features a built-in thread cutter.

Pin Feed System - A Precision Pin Feed System makes it easy to sew on a wide variety of fabric thicknesses.

Built-In Needle Threader - With just a few simple motions, your needle is threaded and ready to use. There's no guesswork, no near-misses and no frustration!

Built-In Telescoping Thread Stand - This telescoping stand can handle even the largest spools of thread for consistent thread delivery on any size project.
