

Triumph

8-Thread Serger

The Triumph conquers serging in a way you never thought possible thanks to RevolutionAir™ threading. Thread the loopers with just the touch of a button and then thread the needles automatically with the touch of another button! You'll have more time to focus on your creativity than worrying about setting up your machine. The Triumph also has all the features you've come to expect from Baby Lock sergers that make all your creative dreams a reality.

Serging Redefined

Using patented RevolutionAir™ threading, Triumph's loopers and needles are threaded for you with just the touch of a button. RevolutionAir™ technology minimizes setup and gives you more time to create all your important projects. No more frustration, no more guessing – the Triumph is threaded and ready to go each and every time.

baby lock

FOR THE LOVE OF SEWING

THE FOREMOST NAME IN HOME SERGING

The First

In 1967 the Baby Lock EF-205 gave home sewers the opportunity to finish garments like a professional manufacturer.

Support

With unsurpassed features, education, and support, there truly is no substitute for a Baby Lock serger.

Our Patents

Baby Lock has continued to revolutionize sergers. Today Baby Lock has numerous patents to its name.

Retailer Network

The Baby Lock Retailer Network is dedicated to sewing enthusiasts just like you – they'll always go the extra mile!

RevolutionAir™ Needle Threading

Engage the RevolutionAir threader, push a button and the Triumph needles are threaded! Baby Lock's RevolutionAir Threading makes setting up your machine faster and easier than ever, every single time.

RevolutionAir™ Looper Threading

Insert thread into one of the Triumph's threading ports, push the button and a gust of air quickly pushes it through the patented tubular loopers, exactly where you need it every time. Tangles, knots and breakage are now a thing of the past!

Largest Throat Space

Easily serge large projects with room to spare. You'll love adding decorative stitches to yards and yards of fabric.

Automatic Thread Delivery™ (ATD)

Never worry about tension adjustments again. Enjoy perfectly balanced stitches regardless of the type of fabric you're using. And ATD lets you thread your loopers in any order.

Pure Lighting – Six LED Lights

Clearly see every stitch, fabric and thread color under six bright LED lights.

Variable Speed Control

Always stitch at a comfortable pace for the utmost precision.

Knee Lift

Raise the presser foot by simply moving the attachable lever with your knee. This leaves both of your hands free for extra control on detailed stitches.

Convenient Presser Foot Lever

An easy-access presser foot lever in the front of the machine lets you quickly make adjustments.

Looper Drive System

This exclusive Looper Drive System prevents loopers from becoming misaligned or out of time, reducing the possibility of major looper damage. This protects your machine from needing repairs, allowing you to serge worry free!

Tubular Loopers

Imagine no exposed thread and no thread guides. Your thread remains protected and tangle-free.

Differential Feed

Baby Lock took the differential feed mechanism to a new level by adding a single unit feed dog mechanism. This ensures stronger feeding as well as more consistent gathering on all fabrics.

Advanced Knife Driving & One-Way Clutch System

Baby Lock created a knife system with a larger cutting bite that allows thicker fabrics to be cut with ease and increased visibility.

Fabric Support System

The Fabric Support System keeps stitches flat and balanced, no matter what speed, fabric or stitch you choose. The built-in stitch fingers actually move with the knife blade, adjusting the seam consecutively with the cutting width.

Automatic Rolled Hem

Stitch length can be easily adjusted on the Triumph using one dial. This dial includes an Automatic Rolled Hem setting that will retract the built-in stitch width finger for a rolled hem finish.

Chain/Cover Tension Disks

Baby Lock has revolutionized the cover stitch with the Triumph! Functions include chain, cover, and triple cover stitches. All three cover needles are controlled by one tension dial, so you can save time with one simple adjustment.

Vertical Needle Penetration

While most machines use slanted needles that push and damage fabric, Baby Lock's needles are set vertically and sew directly up and down. This exclusive feature protects your fabric and prevents needle deflection.

Cover Stitch Chaining Off

Baby Lock has made cover stitching easy to start or stop by automatically chaining off the cover stitch. What's more, the Triumph sews through heavier fabrics better than most cover stitch machines.

8/7/6 Thread Stitch Capacity

With eight threads, the Triumph gives you 87 stitch combinations. Plus, you can combine overlocking and cover stitching in the same operation.

Thread Delivery Unit for the Wave Stitch

For a stitch as unique as the Wave Stitch, Baby Lock wanted to ensure that each wave would be even with the next. To do so, they created a thread delivery unit to give each one a flawless look.

Optional Accessories

Koala Serger Station

The Serger Station comes with a built-in thread catcher and a special section for storing extra thread and notions. Like other Koala Studios furniture, it is custom made for you. Spacious 36" x 25-1/2" work surface and 30" high.

Triumph Foot Kit (BLETS8FTKIT)

You can further expand the Triumph's creative capabilities with these 29 feet. From working with lace and elastic, to stitching curves and creating perfectly straight hems, this foot kit allows you to make all of your sewing dreams a triumphant reality.

Serger Trolley (BLSTF)

Adjust the handle to a comfortable height and pull the easy-rolling trolley wherever you go. Made with reinforced padding and 600 Denier Polyester fabric. Measures 15" x 20" x 16 1/2".

Serger Extension Table (BLES8-ET)

Expand your workspace and keep your fabric level with the Baby Lock Serger Extension Table. It fits perfectly around your serger to give you a large, smooth sewing surface. Table size: 18" x 22 1/2".

Triumph Included Accessories

- Quick Reference Threading Guide
- Power cord
- Foot control
- Sewing table for chain/cover stitching
- Attachment fixing screws for sewing table
- Package of assorted sized needles Organ ELx705CF
- Lint brush/needle insert tool
- Manual needle threader
- Allen screwdriver
- Tweezers
- Upper cutting blade for replacement
- Screwdriver
- Looper threading tool
- Eight thread nets
- Eight spool caps with sponge
- Eight spool caps
- Machine cover
- Mounting bolt with washer
- Two large spool pin disks
- Eight cone holders
- Knee lift
- Standard presser foot (on machine)
- RevolutionAir Needle Threading Guide (not pictured)

Technology Features

- RevolutionAir Threading
- Automatic Thread Delivery System
- Pure Lighting with six LED lights
- Wide workspace of 5" to right of needle and 3" tall
- Full-Featured Differential Feed
 - 2 to 1 ratio - gathering
 - 3 to 4 ratio - stretching
- Knee lift
- Variable sewing speed control

Advanced Serging Features

- Exclusive Wave Stitch and Reverse Wave Stitch for additional stitch options
- Serging options from two to eight threads
 - 87 Stitch combinations including Exclusive Wave Stitch and Reverse Wave Stitch for additional stitch options
 - Chain/cover stitch functions include single, double and triple cover stitch
 - Overlock stitch functions to seam and encase fabric edges
 - Flatlock stitch functions for seaming or decorative effects
- Advanced cutting system handles thick fabrics with ease
- Automatic rolled hem stitch functions create a professional finish
- Dial adjustable stitch width: 1.5 - 7.5mm, up to 16mm wide on expressive stitches

- Dial adjustable stitch length: 0.75 - 4mm
- Dial adjustable built-in rolled hem
- Bypass port and guide for special thread
- Up to 1,500 stitches per minute
- Adjustable presser foot pressure dial
- Adjustable presser foot height up to 6.0mm

Convenience Features

- Built-in thread cutter
- Electronic foot control and separate power cord
- Presser foot lever on the right
- Snap on, multi-purpose presser foot
- Built-in larger accessory storage
- Built-in ribbon/tape guides
- Easy full-color quick reference threading chart
- Color-coded single antennae with thread guides
- Wide sewing table for chain/cover stitching with additional attachment holes
- Needle drop tray with magnet
- Needle clamp safety plate prevents lost needle screws
- Safety switches for side door cover, front door cover, presser foot, and needle threader
- Power cord manager on machine base

Other
