

Blazer4 200EX (Fuel Injected)

The TrailMaster Blazer4 200EX is an upgrade from the Blazer4 150X, now with a bigger 169cc GY6 engine and equipped with EFI. With fuel injection, users don't need to worry about starting in cold weather or at high altitudes; Furthermore, users don't need to fix or replace carburetors after periods of inactivity with the unit.

This is a full size 4-seat go kart that accommodates up to 4 adults! It has a heavy duty frame, net weight 578 lbs with a max load capacity of 800 lbs! Both front driver and passenger seats are adjustable with driver side pedal to seat back adjustment from 36" to 42", for driver/passenger up to 6'2 in height; Front seat to rear seat distance is 26 inches, for passengers up to 6'2 in height! With bigger front & rear tires of 20 x 7-8 / 21 x 10-10 and a special gear ratio, gives plenty of power to take off and pull 4 people. Top speed up to 38 MPH.

We have this model in red, blue
