

BV Powersports popular Go-Kart The Trailmaster Blazer 200

The TrailMaster Blazer 200 is the perfect family go-kart. This stylish go kart is made of heavy duty framing that net weighs 500 lbs and has a max capacity of 661 lbs! Power comes from a 4-stroke, single cylinder, air cooled 168.9cc, 11.1hp GY6 technology engine mated to an automatic CVT clutch for a 43 mph top speed and excellent low-end torque. There's enough horsepower to haul light loads on the rear utility rack or to pull light-duty trailers with the included ball hitch.

Driving is effortless and fun with rack-and-pinion steering, convenient reverse shifting, easily reachable, dash-mounted controls and dual sport bucket seats with 5 point harnesses. The gas pedal to seat back is adjustable from 34" to 39", fitting a driver up to 5'8" in height. Front seat to rear seat distance is 28", fitting a passenger up to 6'2" in height.

We have this model in red, blue, black, orange, green
