

BV Powersports Safe & Fun Utility Vehicle Challenger 200X

Put the kids in the driver's seat with the TrailMaster 200X Challenger Side x Side UTV! It's designed to be just the right size for youth! It even has an adjustable steering column and reverse! Plus, there's a full upper brush guard complete with sunshade canopy for all day riding, side protection rails with heavy-duty nylon safety nets and dual seats with seat harnesses to help keep kids safe while riding.

The Challenger is powered by a reliable, electric start 4-stroke engine, automatic CVT transmission and chain driven dual rear wheel drive. Stopping is extra firm thanks to 4-wheel hydraulic assist disc brakes, and the full suspension system and all-terrain tires help the Challenger crawl over the toughest trails. The Challenger Side by Side comes in several great colors!

We have this model in red, blue, black, white
