

TrailMaster Romeo 50N Scooter

The all new TrailMaster Romeo 50N scooter brings scooter styling to everyone! The Romeo 50N features a tough little 50cc engine and smooth running automatic CVT transmission with enough power to handle quick trips around the neighborhood and local city streets at speeds up to 30 miles per hour! Not only do you get big, 10 inch mag style steel wheels for great handling, but the Romeo also comes standard with a front disc brake for effortless stopping power. But this little scooter is not just all mechanics.

It sports some pretty neat design features, too, like a luxury leather seat, LED turn signals, stylish rear view mirrors give this moped that extra touch! Electric start. Several colors!

We have this model in red, blue, black & pink
