

T125U (8" Wheel)

Check out the T125U (8 Wheel) Mid-Size 125cc Utility ATV for kids and you will be impressed with the quality and detail of this quad. The T125U boasts the same great features found on much more expensive name brand ATVs, like rear hydraulic disc brakes, front drum brakes, a full suspension, powerful 125cc, 4-stroke engine with CDI ignition and electric start for smooth and steady running. Plus this kids ATV comes complete with utility racks, front and rear lighting and more! The automatic transmission is controlled from an easy access hand shifter for simple maneuvering between forward, neutral and reverse. A tough chain drive and big, aggressive all-terrain tires round out the goodies on this 4-wheeler.

We have this model in blue, red, black, Camo pink, Camo green, Spider Red, Spider Black, Spider Blue
