

TM31X-250 (Man-EStart) Dirt Bike

The TM 31X-250 is a great full size dirt bike. It has both a kick start and a new "ELECTRIC START". It has a high performance 223cc 4 stroke 16hp engine with kick start and a top speed of around 55 MPH and a seat height of 34.6". It is available in red, green, and orange colors. The TM31X features a 5 speed manual transmission with front and rear disc brakes, inverted front shock, and a lightweight steel tube frame! This is sure to be a HOT seller!

The bikes full on motocross ergonomics with a 19" front / 16" rear wheel and race suspension system, make handling feel natural and unforced, and help it navigate over almost any type of terrain. The Headlight, Digital Dashboard, Rear View Mirrors, Turn Signals, horn, license plate mount and brake lights comes standard on the X model. Electronic Digital CDI ignition makes key and kick starting effortless, keeps the bike running smoothly in all gears and provides a broad, even power band. And at only 297 pounds, the 223cc engine can propel the motorcycle to speeds of more than 55 miles per hour.

We have this model in Red / Green / Orange

TM31X-250 Dirt Bike
