

# 104 DRAINAGE LEVEL 100cm (40")

## Gradient Level up to 10%

1.5Kg	1.8mm	25mm	1

			<p>ACCURATE</p> <p>0.5mm/m (0.0005in/in)</p>
--	--	--	--------------------------------------------------

### FEATURES

- Exact length for easy use
- Strong aluminum profile
- Horizontal vial

### FIELDS OF APPLICATION

- Plumbing
- City planning
- General construction
- Measuring slopes

### ADVANTAGE

- Measuring slopes up to 10%
- Easy slope calculation
- Accurate and reliable measuring
