|  | ORIGINAL INNOVATION |        |
|  |                     | Option |

### FEATURES

- 2 Cylindrical vials:
  - Horizontal
  - Plum Site® Dual-View™
- V-groove
- Handle
- Sturdy aluminum frame

### OPTIONAL

- Magnetic model: 159
- Angle transfer vial model: 150-86

### APPLICATIONS

For serious DIY'ers and handymen.

### ADVANTAGE

- A front view of the vertical vial helps avoid parallax error and neck stain
- A top window allows you a top view of the horizontal vial
