Satsby Garden

A fresh palate and bright ideas puts a bold stamp on day wear. Flowers are a symbol of beauty and peace. The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair.

FLORAL

IMPACT

Flowers are a symbol of beauty and peace. The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. True beauty in a woman is reflected in her soul. It's the caring that she lovingly gives, the passion that she shows.
