

## Refrigerated Topping Rails

KTR-60G | KTR-80G | KTR-60S | KTR-80S

### Durable Design

With our KOOL-IT KTR Series in your operation, you will always keep your cold toppings at food safe temperatures with our refrigerated topping rails.

Always the perfect solution for pizza prep tables, ice-cream shops, salad bars, build-your-own baked potato stations, our refrigerated topping rails features a powerful, 1/5 hp compressor.

By maintaining an ideal cooling temperature, the topping rail provides your customers with a consistent, quality product and reduces the amount of waste from spoiling.

The KTR Series topping rails can hold either four, or 1/6 size 6" deep food pans, which are included. Polycarbonate hinged lids are also included, to help seal in your products freshness and flavor.

All the KOOL-IT KTR Series refrigerated topping rails use R-290 (CFC free) refrigerant.

- Stainless steel construction
- Accommodates 2.5" to 4" deep standard plastic or stainless steel pans\*
- Digital LED temperature display
- Reliable digital temperature control
- Available with stainless steel cover ("S" models) or glass sneeze guard ("G" models)
- Compatible with the Kool-It KPZ-80-2 granite-top pizza prep table
- Suitable for buffet lines

\*Pans not included

*KTR-80S shown on KPZ-80-2 Pizza Prep Table (sold separately)*
