

# Grapppler

Is Your Workload Weighing You Down?  
**Let LHR Give You A Hand!**

**LIGHTWEIGHT NO TOUCH  
HOOK TOOL  
HELPING YOU GET A HOLD ON IT**

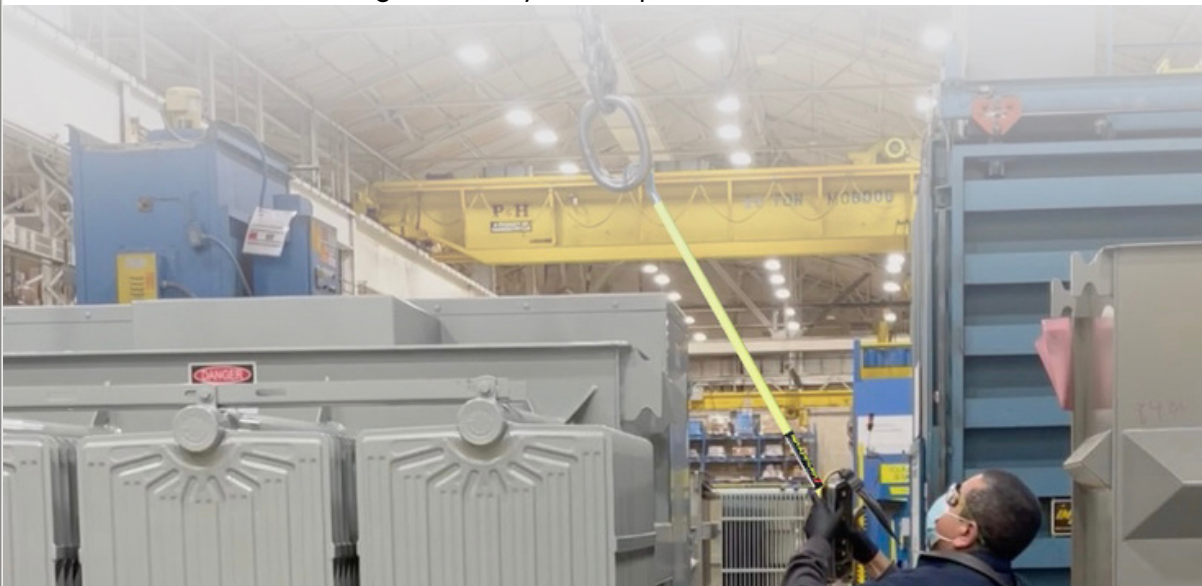

## **Safety Is Our Business**

The Grapppler is a lightweight versatile hook tool that helps you grab, snag, hook, pull and push. It can be used for positioning or holding rigging, chain, slings, wire rope and more. It is perfect for suspended load control when guiding rebar, rebar mesh, assemblies, parts, forms and many other objects.

## **Specially Designed**

The Grapppler comes in 3 stock lengths. It is a light yet tough no-touch safety tool that keeps workers hands and fingers away from hazards. The Grapppler requires no assembly and is ready for work right out of the box.

Grapppler is perfect for use in steel mills, rebar fabrication, heavy equipment repair, heavy equipment manufacturing, precast concrete manufacturing and many more operations.
