

# PIPE HANDLING STRAPS

THE RIGHT GEAR RIGHT NOW

Is Your Workload Weighing You Down?  
**Let LHR Give You A Hand!**

## Safety Is Our Business

With the CarryIt you can get a handle on hand injuries. The LHR Safety CarryIt™ can help you safely and easily move pipes and other heavy objects by hand.

## Specially Designed

Safe To Lift, Safe To Carry

Made in the USA and constructed of tough polyester fiber webbing, every CarryIt is tested for strength and durability. Now your crew can move heavy loads and pipes by hand, avoiding pinch points and finger danger giving your crew a hands-off safe solution.
