

## Woodstock Chimes® Launches New Woodstock Zephyr Chime™

SHOKAN, N.Y., November 5, 2020 – [Woodstock Chimes®](#), the leading manufacturer of musically tuned windchimes, has launched the [Woodstock Zephyr Chime™](#) in two fun, bright colors: [Blue](#) (SKU: ZRBL, left) and [Purple](#) (SKU: ZRPU, right). Aptly named for a light breeze or west wind, the windchimes feature four silver aluminum tubes musically tuned to a beautiful, ancient four-note scale. Both feature a faceted crystal accent as the clapper and a wash finish ash wood top piece and windcatcher. The designs make lovely accent pieces for any home or garden.

“The [Woodstock Zephyr Chime](#), named for a light wind, is fitting for a windchime,” said [Garry Kvistad](#), founder and owner of [Woodstock Chimes](#) and a GRAMMY® Award-winning musician. “The vivid colors make these chimes attractive as gifts, especially to younger folks, and they’re sure draw attention to your [Woodstock Chimes](#) display. We hope they result in blustery sales.”

The windcatcher is easily removable, so consumers can personalize it with a special message or date by taking it to a local silk-screening or engraving shop. Several [Woodstock Chimes](#) retailers have made this service available in recent years as a way to make the products extra special. The new [Woodstock Zephyr Chime](#) measures 17 inches in overall length, retails for \$25 and comes ready to give in a kraft gift box.
