

Woodstock Chimes® Expands Decorative Faux Stone Chime Series
Mini size chimes launch

SHOKAN, N.Y., July 8, 2021 – [Woodstock Chimes®](#), *The World's Favorite Windchime™* and leading manufacturer of musically tuned windchimes, is expanding its best-selling decorative faux stone chime series this summer. New mini size chimes, measuring 13 inches in overall length, will launch in [Blue Lapis](#), [White Marble](#), [Red Jasper](#), [Turquoise](#) and [Amethyst](#) designs. The stones, featured on the windcatcher, clapper and accent beads, beautifully complement the aluminum tubes and craftsman-style beveled square top piece. They will be on display at the Atlanta and Las Vegas gift shows.

“Our immensely popular faux stone accent chimes are aesthetically pleasing in both sight and, of course, sound,” said [Garry Kvistad](#), founder and owner of [Woodstock Chimes](#) and a GRAMMY® Award-winning musician. “We wanted to expand this popular range in new sizes and price points to broaden their appeal. With their light, cheerful sound, smaller size and unique design, these new chimes will be equally at home in a country garden or a city flat.”
