

## Woodstock Chimes® Launches Virtual Showroom

SHOKAN, N.Y., September 18, 2020 – [Woodstock Chimes®](#), the leading manufacturer of musically tuned windchimes, in a virtual necessity due to the coronavirus pandemic, has launched a virtual showroom. Located on Senior Vice President of Sales, Betsy Harrington's, North Carolina lanai, the showroom features products that can be seen and heard during video conferences in their natural, intended setting — at home, where more time than ever is being spent in 2020.

“With physical tradeshows cancelled, we decided a virtual showroom would be beneficial and we quickly made it a reality,” said [Garry Kvistad](#), founder and owner of [Woodstock Chimes](#) and a GRAMMY® Award-winning musician. “Betsy probably has one of the best sounding patios anywhere on Earth right now. She says her neighbors love it! We encourage customers new and old to reach out to have her demonstrate our [new products](#) and take advantage of her well-known ability to develop and tailor assortments for their individual situations.”

“I love working and interacting with our retailers and developing sales plans to optimize their performance,” said Harrington. “Obviously, doing this in person in 2020 is a tremendous challenge, but our virtual showroom truly is the next best thing. We have a [Chime Tree Display](#) with all of our 2020 [new products](#), a complete [Fiddlehead Two-Tier Counter Display](#) with smaller chimes, a [Fiddlehead Rotating Counter Display - Silver](#) with some of our dazzling [Woodstock Rainbow Makers™](#) and, of course, some of our classic chimes and a [Heroic Windbell](#). Please feel free to reach out and take advantage during this unique time and we will work together to build a program that is best for your circumstances.”
