About the Line

This vintage inspired fabric line was inspired by my Great Grandma Lily's homestead! From her garden filled with beautiful hues of blooming flowers to her vintage handmade pink stool, those colors and memories of days with grandma continue to inspire & warm my heart!

Each of these carefully selected designs offer an endless possibility of uses as blenders, backgrounds, color, or stand alone defined patterns. This line also features small scale shirtings perfect for "vintage look" appliqué quilts and the option for you to create the perfect "scrappy" backgrounds to any of your favorite blocks! It also includes four vintage "cheater panels", and a panel with seasonal motifs that are stunning! The tonal prints round out the line and are perfect for sashing and borders. Let the creating begin!
