About the Line

It's time to "Channel the Flannel" with Stacy's "Lumberjack Aaron" fabric line which is inspired by her brother, Aaron who is a logger and passionate about the great outdoors! He harvests trees and hauls 62,000 lbs a load {70 trees} to the local area paper mill who makes boxes for Amazon and supports Boise Paper.

Aaron is just like his sister, Stacy who is inspired by generations of family to keep family traditions going strong. Their grandpas were woodsmen also, and Aaron recently re-cut the same area they cut back in 1952.

As you can see the lumberjack look has longevity and this fresh new look Stacy has put on this line, will be sure to keep your "hard working, chopping wood man" looking good!
