### Cutting Instructions:

#### From cream print:

### Applique Instructions: Images are reversed

1. These instructions are for raw edge applique. You are free to use your favorite method for fabric applique.
2. Trace the individual appliqué pieces on the paper side of the fusible web, leaving about ¼ inch around each shape. Remember to leave a little extension on the pieces where they fit under another piece. Cut the fusible web shapes apart and fuse to the appropriate colored fabric following the manufacturer's instructions.
3. Cut the fabrics out on the drawn line on the fusible web.
4. Refer to the photo and pattern sheet for placement and fuse all pieces to the 12 ½" X 20 ½" cream print strip. The ground applique pieces will be sewn into the seam when this piece is sewn into the quilt. Be sure to place the ground pieces even with the bottom of the cream print background.
5. Stitch applique pieces into place with a straight stitch, as close to the edge of the piece as possible, staying on the applique piece.
