

## Montera

Chair - Sedia  
Design - Roberto Lazzeroni

Cuciture leggere disegnano un sorriso. Montera è leggerezza formale e fascino sensoriale dato dalla lavorazione a taglio vivo di pelle e cuoio, due materiali che, cuciti fra loro fra loro, si esaltano reciprocamente.

Light stitching that traces out a smile. Montera's common denominator is the lightness of form and, above all, the sensory charm of leather and hide. This two different materials enhance each other when sewed together with clean-cut edges.
