CEREMONY PACKAGES

ABOUT BOWER

The Bower Estate was born many years ago, as we began lovingly restoring this 120 acres of unparalleled beauty and environmental heritage. Nestled in the Gold Coast Hinterland on the border between Queensland and New South Wales in Natural Bridge. Surrounded by some of Queensland's most stunning National Parks, we have set about creating an estate, known to us as 'The Bower'.

You are immersing in our family's passion for preserving world heritage rainforest and wildlife corridors, sharing delicious food and supporting local growers and producers, including Bower's own honey! An event at The Bower is like no other. Every view, photo location, and secret spot has been carefully and lovingly crafted over decades of work on this estate.
