

# Wash mitts with soap

- Anatomical shape.
- One-size-fits-all: 25x17cm.
- With non-woven fibre fabric.

- Impregnated with a dry, pH neutral (5.5) soap.
- Robust yet gentle on skin.

## Instructions for use

Slightly dampen.

It is not recommended to immerse in water, as the soap can be lost.

Lather and rinse with water.
