## Blood Pressure Cuffs

## Bio-Cuff: Reusable

Every Bio-Cuff is brightly and distinctly

A complete range of reusable cuffs in single and dual hose options. Colour-coded for easy identification, all Bio-Cuff designs feature durable easy-clean material with gently rounded corners. Each Bio-Cuff has clear artery and range markers with advisory indicators to show when a smaller or larger Bio-Cuff would be the more

appropriate choice.

## **Product Features**
