

Shower Screen Selection Guide

Corner Shower Screens

FUTUREGLASS

Corner Shower Screens

Select your corner shower screen in 4 easy steps.

- 01.** Measure/determine your desired shower size and check if your walls are plumb
- 02.** Select your shower using our Shower Size Guide
- 03.** Select your hardware finish
- 04.** Select your wall fixing method

01

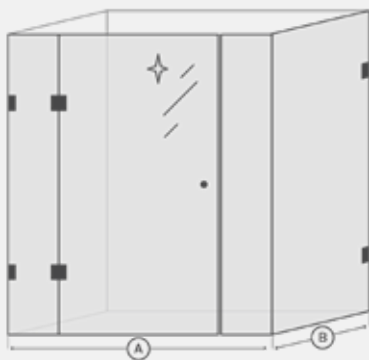

Measure your shower & check if your walls are plumb.

IMPORTANT - ALL MEASUREMENTS SHOULD BE TAKEN AFTER WALLS ARE FINISHED WITH TILES!

01.a

Measure/determine your shower size.

FRONT WIDTH (A)

MM

Measure from wall to outside of glass return panel

RETURN DEPTH (B)

MM

Measure from wall to outside of glass front panels

Use our **Shower Size Guide** to select the shower that will be most suitable for your dimensions.

01.b

Check if your walls are plumb.

Before ordering your corner shower screen, it's important to check if your walls are plumb or not, to determine which wall fixings are available to you.

For a corner shower screen, you will need to check **2 walls**:

WALL A (FRONT) : The wall that your shower front panels meet

WALL B (RETURN) : The wall that your shower return panel meets

WALL A PLUMB RANGE

WALL B PLUMB RANGE

IF YOUR RANGE FOR BOTH WALLS IS 3MM OR LESS

Your walls are plumb / close to plumb.

In Step 4, use Shower Clips OR U-Channel wall fixing.

IF YOUR RANGE FOR WALL A OR B IS 3-10MM

Your walls are out of plumb.

In Step 4, for a neat finish, use U-Channel wall fixing for a neat finish.

IF YOUR RANGE FOR WALL A OR B IS GREATER THAN 10MM

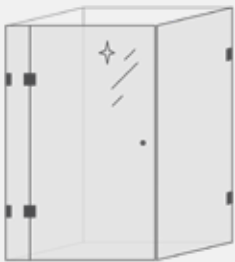

Your walls are very out of plumb.

Consult with your builder.

02

Select your shower using our Shower Size Guide.

Available Wall-to-Wall models

Select your wall fixing method.

Our Shower Screens can be installed with 2 different types of wall fixings.

IMPORTANT: IF YOUR WALLS ARE NOT PLUMB, YOU MUST CHOOSE U-CHANNEL WALL FIXING FOR A NEAT FINISH.

*See Step 1b to check if your walls are plumb

Shower Clips

When to use shower clips

- Your walls are plumb
- You prefer the look of clips over U-Channel

When not to use shower clips

- Your walls are out of plumb
- You need the extra width provided by U-Channel

U-Channel

When to use u-channel

- Your walls are out of plumb
- You need the extra width provided by U-Channel
- Your walls are plumb, but you prefer the look

U-channel will work in all installations!

Thank you for choosing Future Glass

Future Glass takes pride in providing quality products and customer service. We want to ensure your happiness with your purchase for years to come. We have an extensive range of sizes, so no matter what your measurements are, Future Glass can supply the product to fit!
