They offer the perfect balance of earthy tones, natural textures and warm minimalism in an array of hand-sourced pieces. Their recent collections include vases, quirky ornamental designs and luxury candles. Shop online at www.theluxecult.co.uk or Instagram @the_luxe_cult

1. American contemporary artist, **ADAIR PECK's** recent encaustic paintings allow her to continue her explorations with subject and materials as she mixes pigment, coffee grounds and paper into beeswax. She then paints, melts and scrapes layers of colour and texture to reveal her latest subjects and her own personal story. Follow her on Instagram @adairpeckart and visit her website adairpeck.com

2. The award-winning visionary artist, designer, and author, **MARIA LORENA LEHMAN** creates at the nexus of human potential, aesthetic beauty, and phenomenology of space. Each creation is a 'sacred bridge', connecting deep nature to one's soul through abstract interpretations of hidden realities. See more of her work online at www.marialorenalehman.com and Instagram @marialorenalehman

3. PETRA FORMAN is an Austrian emerging artist who lives and works in Croatia. Her work has been exhibited internationally, and she finds inspiration in nature and the beauty of the Adriatic sea. Visit www.formanpetra.com for more information.

4. The abstract paintings of **BARBARA ZEISELMEIER** are created in a dialogue between intuition and calculation. The layers obscure and reveal, inviting the observer to find their own story in the painting and maybe catch a glimpse of hidden magic. See more on www.barbara-zeiselmeier.de or on Instagram @zeibarcolor

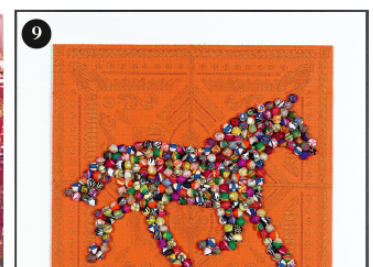

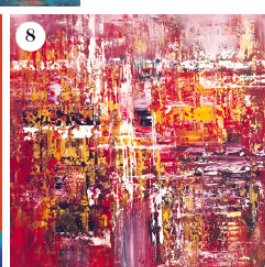

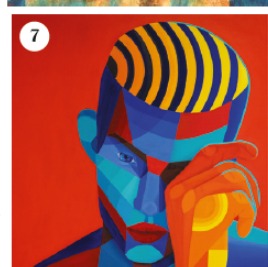

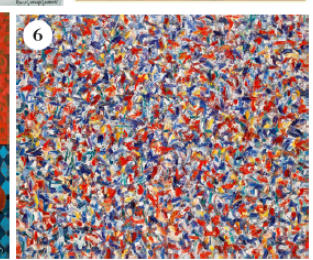

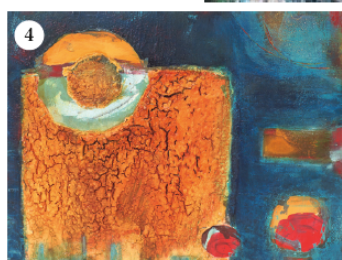

5. DAVID SCHAB, a Polish artist living in the UK. His preferred technique is oil on canvas and dry pastels on paper. David's works are characterised by very rich colours and a strong play of light and shadow, bordering on expressionism. He focuses mainly on still lifes, animals, but also landscapes and portraits. Visit www.davidschab.com and follow @davidschab on Instagram.

6. JOHN HAESSLE, is a French artist who has lived in NYC since the late 1960's. His canvases have assimilated the lessons of the abstract expressionists but retain his very French colour sensitivity. His paintings, often executed in oil colours have a sensuous surface where colours and forms merge to present a radiant whole. Visit www.haessle.com and follow @jhaessle on Instagram.

7. KOHLBEN VODDEN is an internationally exhibited Australian-born contemporary artist based in London. His evocative abstract figurative oil paintings can be found in private collections across Europe. Employing psychological insights and masterfully bold colour palettes his works explore identity and beauty. Learn more about available paintings or commission artworks at www.voddenoriginal.com or @voddenoriginal on Instagram.

8. JULIA CASSIA is an emerging contemporary Swiss artist with an innovative and complex palette. She brings a comprehensive mastery of colour theory and compositional elements to each painting. Through her paintings, we experience our universe with a new expansive and compelling perspective. Visit www.cassiaart.com and follow @julia_cassia_art on Instagram.

9. Mixed media artist, **STEPHEN WILSON** uses up-cycled luxury materials to produce unique works of art. His work reflects high fashion influences, traditional craft and quilting techniques with a pop-culture aesthetic. Based in Charlotte, North Carolina, Stephen blends conventional embroidery techniques with 3D printing, laser engraving, and found objects. Shop online at stephenwilsonstudio.com and Instagram @stephenwilsonstudio
