The Ferns' Food journey of 3 generations has inspired decades of culinary enthusiasts with its Masalas, Curry Pastes, Pickles, and Chutneys since 1937. Our history traces back to the passion and determination of Mrs. Nataline Fernandes.

Ferns' mission has remained to add excitement to the sometimes mundane task of cooking even the most frugal meals. Every bite is a promise of nostalgia and uniqueness.

A small concept that began in the humble kitchen of Mrs. Fernandes has transformed into a mouth-watering range. Today, Ferns' products are made with local spices & ingredients to ensure that the magical experience that comes with food is as it was in Mrs. Fernandes' days!
