# CAMEL RIDES

Riding a camel here at Summer Land Camels is a truly extraordinary adventure. In the fresh outdoors of Queensland's Scenic Rim, the gentle sway of the camel will guide you smoothly and safely - their rhythmic footsteps creating harmony with nature. It's a remarkable experience that connects us to the rich history of these magnificent creatures while immersing us in the raw beauty of the landscape.

There are a number of options available for camel rides:

## Garden Ride

Enjoy a relaxing, introductory camel ride through Summer Land Camels' beautiful grounds.

Ride along in a traditional camel caravan ride around the Summer Land Camels garden and dairy while our experienced Cameleers discuss camel behaviour and communications, and what we do here at Summer Land Camels.

## Trail Ride

An extended Camel Trail Ride on our farm trail taking in the fascinating views of the northern edge of the Scenic Rim region.

## Sunrise Ride

Riding camels against the picturesque backdrop of the beautiful Flinders Peak, on the Northern edge of the Scenic Rim region, is truly a signature South-East Queensland experience.

After dawn, meet our cameleers, engage with them as they saddle your camels, and then ride around our stunning property. On this over a one-hour long ride, you will see unique Australian animals like kangaroos, birds and, if you're lucky, even koalas and other native wildlife. Return to the Homestead Cafe for a delicious breakfast and one of our famous Camelcinos.
