Charles and Ray Eames

Original Production Date

1950

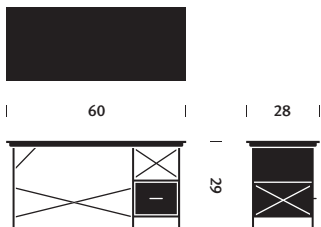

Design for the Environment

6% recycled content; 26% recyclable

Warranty

5 years

Called “working art” since it first exhibited at the Detroit Institute of Arts in 1949, this practical desk unit by Charles and Ray Eames features a spacious work surface and compact file drawer. In a neutral color scheme or a vibrant red, blue, black, or white combination, it makes a striking style statement in casual work spaces in both home and office environments.
