

FLOS

265 Small , Chromatica - Specification sheet

By Paolo Rizzatto , 1973

Mounting	Wall
Environments	Indoor dry location
Dimming Protocol	Switch Integrated (Remote Dimmable)
Finish	Chromatica

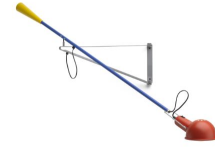

Technical and Product Description Seeming to defy gravity, the Mod 265 wall lamp by designer Paolo Rizzatto is in a category all its own. Multi-angle rotatable head and long, adjustable swing arm wall lamp. The lamp head-which rotates 360-degrees so that it can be aimed in any direction-provides a clean, direct light. The body is painted steel, with an adjustable arm and reflector. There is a chrome-plated brass reflector support. The counterweight is tapered cast iron. There is an on/off switch on the socket holder, and a plug in power cord measuring 80-inches. Available in black and white finish. Perfect for illuminating a dining table or the bedside. Inspired by a minimalist design, Paolo Rizzatto created this timeless piece in 1973.
