Oblique , Glossy Sage - Specification sheet

By Vincent Van Duysen , 2020

Mounting	Table
Environments	Indoor dry location
Finish	Glossy Sage

Technical and Product Description Oblique is the natural evolution of the classic office swing arm model. With its robust, compact structure and minimalist design by Vincent Van Duysen, Oblique produces a patented, powerful, and controlled asymmetric light beam that is optimal for workspaces. Key features: Integrated USB-C port into the base to charge additional devices. Round flat head for minimal visual intrusion. A patented ultra-flat lens with very high efficiency of 97% *Only the Oblique Qi version comes with a built-in wireless charging port at the base. It allows users to charge their smartphones while freeing desks from unsightly wire and cable clutter.
