## Newson Task

### Work Chair

The Newson Task Chair features an organic design that's packed with sophisticated hidden technology. The chair's silhouette creates one continuous line, with a cantilevered shape made possible by a brand-new tilt innovation—one that flips the control vertically, so it's concealed cleverly beneath the seat.

- A** The Honeycomb back pairs a uniquely flexible nylon frame and a rubberized elastomeric skin so you experience a broad range of supporting movement.
- B** The T1 Control utilizes a vertical spring system that allows you to tailor the recline experience so you can get the deepest dwell or sit upright.
- C** This chair provides a sensory experience with refined textures on every surface—the back and arm feel soft like suede, and the contrasting smooth knobs and handles draw your attention for adjusting.
- D** The seat adjusts forward and back along a reverse cantilever platform to keep the seat light and open while providing the right fit for you.

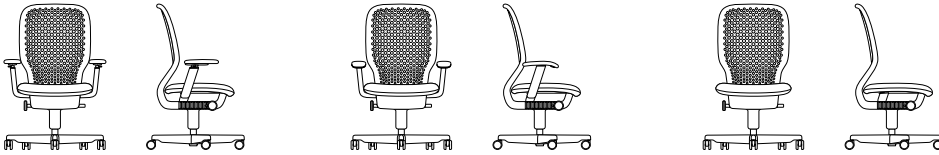

### Warranty

Structural components: 12 Years

Upholstery, textiles, leathers, finishes: 3 Years

### STATEMENT OF LINE

#### High-Performance Arms

W: 26.9"  
D: 37.8–42.2"  
H: 20.6"

#### Height-Adjustable Arms

W: 26.2"  
D: 37.8–42.2"  
H: 20.6"

#### Armless

W: 25.8"  
D: 37.8–42.2"  
H: 20.6"

### FEATURES AND OPTIONS

- + Arms available in height-adjustable, or high-performance
- + Standard 5-star base and Newson Aluminum base

### SUSTAINABLE DESIGN DETAILS

- + BIFMA Level certified
- + Certified Clean Air GOLD
- + Can contribute to achieving LEED® credits
