Monster Chair

MARCEL WANDERS STUDIO

A soft, puffy and stylish chair as symbol of the eternal battle between opposite forces that take place in life and can be easily recognized inside ourselves, if we have the courage to open our eyes. Scary? Not at all! You forget all about the monster once you sit down and enjoy the chair's comfort and softness. The signature version, the fearless leader of our Monster family, comes upholstered in Moooi Original Black Synthetic Leather with an embroidered face.
