Nelson™ Platform Bench, Metal Base

Designer

George Nelson

Original Production Date

1946

Design for the Environment

Range from 0% recycled content;
98–99% recyclable

Warranty

5 years

Equal parts seat and surface, this landmark design emerged from George Nelson's Fortune magazine office to join his first Herman Miller collection in 1946. Made with polished chrome or ebonized wood legs, equipped with leveling glides, and available in three lengths, it is ideal as a bench, low table, or foundation for the Basic Cabinet Series.
