

OE1 Sit-to-Stand Table

The OE1 Sit-to-Stand Table is a quietly versatile height-adjustable table with a residential aesthetic that was designed to fit comfortably into the home or office. Whether you want to create extra touch-down space in a team room, utilize the alcove in your hallway, or add a desk to your bedroom-now-home-office, this table is a perfect fit.

Benefits

- Available in three shapes, the table has a residential feel that adds warmth and flair to the home or office without drawing attention to itself.
- Smaller than our standard height-adjustable tables, the OE1 Sit-to-Stand Table is thoughtfully sized and designed for spaces like hallways, bedrooms, kitchens, and meeting rooms.
- With its powered height adjustability from a single power cable, the table delivers a smooth sit-to-stand experience. And it has optional USB-C power integrated at the surface, so nothing detracts from the table's serene aesthetic.

Warranty

Surface: 12-year, 3-shift

Base: 5-year, 3-shift

Key Features

- 1. Up/Down Pedal**
A powered foot-controlled pedal located in the base controls the up/down motion of the table surface.
- 2. Surface Shapes**
Available in three surface shapes: rectangular with round corners, rectangular with square corners, and round.
- 3. Color Choices**
The table base and column are available in 7 colors, including the new Cocoa color.
- 4. Wrap Screen**
Add an optional wrap screen to the rectangular table with a round corner surface.
- 5. Cable Management**
Cables are neatly managed by routing from the surface through a tab on the rear of the column and then to the floor.
- 6. Bag Hook**
Easily store items and keep them within reach using the built-in bag hook.
- 7. Power**
All OE1 Sit-to-Stand Tables are powered by a single cable in the table base that plugs into a standard power outlet.
