Technical and Product Description	Designed by Marcel Wanders in 2007, The Skygarden pendant makes a powerful impression with its size alone. Standing beneath it, you will see the intricate design that gives this piece its name.

The upper and lower silicone shock absorbers are injection-molded and transparent. The lamp-holder and fixing support come in PPS. The diffuser is flashed and blown opal glass. The molded fixing ring nut is die-cast aluminum alloy with alodine plating.

The frieze is photo-etched and mechanically drawn AISI 304 steel. The ceiling attachment is molded and galvanized steel ceiling attachment. It has a gray, injection-molded PA6 (Nylon) rose, steel wire, and a FEP/SIL UV-stabilized transparent power cord.

The SKYGARDEN S emits diffused light and is available in matte black, black, brown, bronze, gold or with diffusers in 2 sizes (models):

SKYGARDEN S1: 11.8" x 23.6"

SKYGARDEN S2: 17.7" x 35.4"

● FU641031 Matte Black
