

# TL-DL150-CB

12V DECK LIGHT

The Total Light Deck Light is the perfect solution for adding accent lighting to decks, patios, and other outdoor areas. The half moon glow casts a soft beam through frosted glass to highlight stairs, railings, and any other fixtures you can attach it to. The deck light accepts any G4 bulb and has 48 inches of 18/2 Direct Burial Lighting Wire.

The high-quality solid brass that makes this product is also very durable. This deck light will withstand weather, dirt, humidity and insects and still look great. It is very simple to mount to stairs or walls, and the mounting screws are included with the product. The brass finish also blends in extremely well with many different deck setups and themes.
