

TL-HS200-CB

12 VOLT HARDSCAPE LIGHT

The Total Light HS200 Brass Hardscape Light brings illumination to structures in your landscape. This fixture is widely used in outdoor kitchens, stone and paver structures, paver or brick columns, and walls. The pivoting function allows for the perfect angle and prevents glare and hot spots. The HS200 has a replaceable LED Module which allows a quick replacement of the light source with out removing the wiring and mounting plate. The dimmable feature of this fixture allows for illumination control via remote(TL-REMOTE Sold Separately) to create your perfect scene.
